Building for People with Developmental
Disabilities***

For more than fifty years, The Arc Northern Chesapeake Region has helped people build better lives one day at a time.

The Arc offers a wide variety of services to individuals with developmental disabilities in Harford, Cecil and Kent Counties, both children and adults, to make informed choices about their lifestyles, vocations, education and recreational pursuits, and to assure stable and nurturing lives among their families and friends.

Dear Friend,

We are honored to lead the effort for the 6th Annual After dArc Celebrity Chef and Auction. It promises to be a fun-filled and high-energy event again this year with a new theme, Derby After dArc!

With your help, we can make a difference in the lives of individuals with developmental disabilities and their families who receive support from The Arc Northern Chesapeake Region.

Helping people to live rich and vibrant lives is at the core of The Arc's philosophy and mission. Proceeds from this year's event will help adults and children to meet everyday needs as well as for The Arc to continue to explore and develop cutting edge services for the people they support.

We look forward to partnering with you and making a difference in our community.
