

Arc Angels- Day 12

Our final Arc Angel is the Aberdeen IronBirds. The organization has been engaged with The Arc NCR since 2010 through fundraising events and our volunteer program.

For the past two years, the Aberdeen IronBirds have volunteered around the holidays with our Adopt-a-Home program. This program allows volunteers to give individuals supported by The Arc NCR a festive and memorable holiday. This year, the organization returned to the same Supported Living home where four gentlemen supported by The Arc NCR call home. The group provided holiday food, refreshments and even purchased gifts for each individual!

The Aberdeen IronBirds have also been involved in several fundraising events for the agency. They have generously sponsored our annual After d'Arc Gala since 2015, as well as sponsoring our annual Sprout Film & Art Festival since 2016. In addition, Diane Erickson, Sr. VP of Finance, for the organization also serves on the Foundation Board and is the current Treasurer. She has been a board member since 2013 and has been a tremendous advocate for The Arc NCR.

Only a portion of The Arc NCR's funding comes from the state and government. This makes the Aberdeen IronBirds' support and YOUR support so critically important to the success of our programs. Not only will your contribution help during this holiday season, but it will also help kick off the New Year by directly supporting the areas of greatest need throughout The Arc NCR's programs.
