

Arc Angels- Day 11

The Arc NCR's next Arc Angel is Joe H. Joe has been supported in the Personal Supports program of The Arc NCR for over a decade. In addition, Joe has served on the organization's Governing Board since 2015.

His life's passion is the arts and is beautifully displaced in his countless paintings of oceans, beaches, bicycles, and beautiful landscapes. Joe was inspired at an early age during his visits with his Grandfather in Deerfield Beach, Florida. These childhood memories at the beach have served as inspiration for decades. Joe is extremely generous with his artwork, donating most of it to other individuals and organizations. Joe contributes artwork yearly to The Arc NCR's Sprout Film & Art Festival and After d'Arc Gala. His artwork can often be found around the building in many departments and offices.

In addition to his passion for painting, Joe enjoys taking walks in Havre de Grace, kayaking on the Susquehanna River, and writing stories.

Our Personal Supports program needs your support to continue supporting the goals and dreams of individuals like Joe. Only a portion of The Arc NCR's funding comes from the state and government. This makes your generous support critically important to the success of our programs. Help us grow the Personal Supports program by donating to The Arc NCR at <https://arcncr.org/donate/online/>.
