

Arc Angels-Day 4

Our fourth Arc Angel is APG Federal Credit Union (APGFCU). The credit union has been a generous supporter and donor to The Arc NCR since 1996! In addition to being a generous donor, the company also has employees engage with our organization through events, committees and the volunteer program. APGFCU employees commit to volunteering around the holidays by Adopting-a-Home in our Supported Living program. This includes purchasing holiday gifts for individuals in the home, as well as throwing a holiday party to celebrate the season. Their efforts help create special and festive memories for the individuals and children with differing abilities we support. In addition, APGFCU employees attend multiple fundraising events throughout the year; including helping plan our largest fundraiser of the year, the annual After d'Arc Gala. Their support of this gala has grown over the years with an increase in sponsorship support.

“When Shawn Kros approached APGFCU about a corporate sponsorship commitment for the 2017 and 2018 After d'Arc Galas it didn't take long to say yes!” says Susan Kemen, COO, APGFCU. The credit union graciously agreed to be a Presenting Sponsor in 2017 and the Title Sponsor in 2018. These top sponsorships are critical for the success of the gala, with all funds raised going directly back to supporting individuals with intellectual and developmental disabilities.

APGFCU embraces the seven cooperative principles upon which credit unions were formed. One of those principles is “Concern for Community.” Their long standing support of The Arc NCR proves their support for community. In addition, APGFCU's People Helping People philosophy aligns with The Arc NCR's mission of empowering people to live, work and play in the community. It is a wonderful partnership between our organizations.

Only a portion of The Arc NCR's funding comes from the state and government. This makes APGFCU's financial support and YOUR support so critically important to the success of our programs. Not only will your contribution help during this holiday season, but it will also help kick off the New Year by directly supporting the areas of greatest need throughout The Arc NCR's programs.
