

Tom and Sharon Walls and their daughter, Katie Hargrove, have been engrained in the Harford County community for decades. This generous family has been giving back financially, as well as giving their time to multiple nonprofits in the community they call home.

Plaza Ford has partnered with The Arc Northern Chesapeake Region (The Arc NCR) for more than 20 years. Tom and Sharon Walls, and daughter, Katie Hargrove have helped in various volunteer positions including several golf tournaments and the annual After d'Arc gala. This generous family has also personally donated to multiple fundraising events, as well as their family business, Plaza Ford. Tom Walls also served on the Capital Campaign Committee for The Arc NCR when the organization remodeled and built an addition on to their corporate office building in Belcamp, MD. Plaza Ford also contributed towards The Arc NCR's capital campaign with their contribution helping the organization to secure a matching grant to complete the building. In addition, Tom Walls also served on The Arc NCR's Foundation Board for many years.

The Walls Family founded The Miracle League of Harford County, and in celebration of The Arc NCR's 65th anniversary, Tom summarized the work of The Arc NCR by reading from his Miracle League Brochure, "We cannot change or cure the medical issues life has dealt children with disabilities, but what we can do is provide them with an opportunity to experience the joy and benefits that come from playing our national pastime, baseball." Tom went on to say that for The Arc NCR, it's about, "living life." Thank you to the Walls Family for seeing and supporting The Arc NCR's mission to empower people with differing abilities to live, work and thrive in the community. They are a perfect choice for one of our 2018 Arc Angels!
