

For over 20 years, through the support of Employment Services and Community Living with The Arc NCR, Jack has been able to obtain a job of his choosing with the office he is most passionate about and is able to get there every day with the transportation his staff provides. Sheriff Jeffrey Gahler stated, "Jack is a constant," for The Harford County Sheriff's Office in a recent interview, and the Sheriff encourages others to hire from The Arc NCR because of the thriving employment relationship their office has.

Jack is an inspiration to many as he is a striking symbol of dedication to one's job. Talk to him and you will immediately understand. Congratulations to Jack on being one of the 2018 Arc Angels. Hope your holidays are filled with JOY!
