

The Scholz Family

Robert and Kristin Scholz have always had hearts for giving to others. They are members of Mountain Christian Church and they believe in helping those in need. In 2017, the Scholz family, along with their two sons (Henry and Ben) decided to give holiday gifts to several of the Treatment Foster Care children here at The Arc NCR. The children were very encouraged by their kindness and were able to experience a joyful holiday season through this gift of giving.

This year in 2018, The Scholz Family is taking it one step further. For this holiday season they will be hosting a toy drive at the Aberdeen Proving Ground where they work. When we asked Robert and Kristin why they give and what they hope their boys will get out of this experience they replied that they have been blessed and feel compelled to always give and make a difference in the lives of others. They want their children to learn gratitude and compassion for others by serving others around them. This compassion is exactly why the Scholz Family is one of our 2018 Arc Angels!
