**Fund the Need for
a New Community
Living Home**

Off to the Races *for a New Home*

Our 19th annual After d’Arc Gala: Off to the Races, will focus its Fund the Need campaign on raising money to support purchasing a new home for our Community Living program. This program empowers people with intellectual and/or developmental disabilities to have accessible and affordable housing, providing them with the personalized support of Direct Support Professionals to help them in being as independent as possible. Currently there are 101 people supported by this program, but we have 10 people on our waiting list who are in need of this service, and that number is growing.

Outside of the cost of a house, there are many considerations in purchasing one that is well suited for our services, and the current housing market has good options going fast.

Every dollar matters, and to see the specific impact you can have in our Fund the Need Campaign, here are examples of how your contribution can support this campaign.

Contribution	Example impact
\$5,000	Contributing toward the down payment or purchase of a home
\$2,500	Funding for accessible accommodations, such as a wheelchair ramp
\$1,500	Funding for major appliances, such as a hot water heater
\$1,000	Funding for 2-3 roll-in shower chairs
\$500	Funding for a home inspection
\$250	Funding for a home maintenance kit
\$100	Funding to purchase grab bars for bathroom showers
\$50	Funding for adaptive utensils and kitchen tools

Fundraising Goal: \$50,000
